PROFESSIONAL SUMMARY

Java Full Stack Developer with practical experience in building and maintaining web applications through various academic projects and internships. Focused on creating user-friendly applications that meet project requirements. Committed to continuous learning and contributing to open-source projects that enhance development skills.

TECHNICAL SKILLS

- **Web Technologies** : HTML5, CSS3, JavaScript, Bootstrap
- **Programming Languages** : Java, C, C++
- **Frameworks & Libraries** : Spring Boot, Hibernate
- **Java Technologies** : Servlets, JSP, JDBC
- **Databases** : MySQL, Oracle
- **Tools & Platforms** : VS code, Eclipse, Git
- **Other** : Data Structures and Algorithms (DSA)

PROFESSIONAL EXPERIENCE

Java Developer Intern | Ypsilon IT Solutions Pvt. Ltd. | Indore
Jan 2023 – June 2023

- Collaborated with a software team of 50+ members, including 15-20 senior developers, to deliver scalable web applications.
- Assisted in developing and maintaining web applications using Java, Spring Boot, and Hibernate, contributing to a 15% increase in system efficiency.
- Applied front-end technologies, including HTML, CSS, and JavaScript, to build and refine responsive web interfaces during my internship.
- Worked in an Agile environment, actively participating in daily stand-ups and sprint planning sessions.

PROJECTS

Dreamy Destination – Travel Web Application

- Developed a full-stack travel booking application with user authentication and a booking system.
- Designed and implemented a responsive user interface using HTML5, CSS3, and JavaScript.
- Integrated MySQL database to manage user data and music uploads efficiently, optimizing query performance and ensuring seamless data handling.
- Implemented secure authentication mechanisms with Java Servlets and JSP, protecting user data privacy and aligning with industry standards.
- Managed database operations using JDBC, enabling efficient interaction between the application and the database.

Portfolio Website Developer

- Developed a modern, responsive portfolio website to showcase projects and highlight technical skills, utilizing HTML5, CSS3, Bootstrap, and JavaScript.
 - Created interactive project sections that enhanced user engagement and improved networking opportunities.
 - Optimized website performance and SEO by adhering to clean code principles and best practices.
-

EDUCATION

Bachelor of Technology in Computer Science Engineering Lakshmi Narain College Of Technology, Indore (Affiliated to RGPV University)	2020-2024
